Can Marsden Building Society change the interest rate?	<p>The interest rate is variable so we can increase or decrease the rate at any time. If the interest rate on your account falls, and the balance in your account is £100 or more, we will personally notify you of the change. All our interest rates are available on our website. For more details about why we may change the rate, and when we'll let you know about a change, please refer to our General Retail Savings Account Terms and Conditions.</p>										
What would the estimated balance be after 12 months based on a £5,000 deposit?	<p>If you saved £5,000, the estimated balance after 12 months would be £5,175. This example assumes that the account is opened with the amount stated on 01 April, no withdrawals or further deposits are made throughout the 12 months, the interest earned is added to the account, and no changes are made to the current interest rate. It is provided for illustrative purposes only and does not take into account your individual circumstances.</p>										
How do I open and manage my account?	<p>This account can be opened by submitting an application form on our website or by post. The account is available to small-to-medium sized UK-based businesses registered at Companies House. Acceptable companies include Limited Companies, Limited Liability Partnerships and Partnerships. We do not open accounts where any connected party on the account has a foreign tax residency, even though they may also hold UK tax resident status. The overall maximum holding in respect of all business deposit accounts with the Society is £750,000. Can I withdraw money?	<p>The account can be operated by one or more connected persons named on the account. If withdrawals can be authorised by one person, you must be satisfied that your own internal controls are adequate to prevent fraud. Before a withdrawal can be processed, it is necessary to verify the transaction in accordance with the account mandate. You can withdraw from your account whenever you want to by submitting a transaction request form on our website or by calling our Business Deposit Team. Payments out of the account are made by next day faster payment to your nominated bank account. Payments are also available by CHAPs at a cost of £25 per transaction. Additional information	<p>*No tax will be automatically deducted from the interest paid on this account. The receipt of interest gross by a company will not prevent the interest from being liable for corporation tax. For information regarding tax or how to make a self-assessment tax return, please contact HMRC. Tax treatment and rate payable may change in the future. †AER stands for the Annual Equivalent Rate and shows you what the interest rate would be if interest was paid and added each year.</p>
